Resumo

I am looking for an internship opportunity where I can apply my knowledge of **Java, Spring Boot, PostgreSQL, Docker, TypeScript, and React**. Passionate about full-stack development, especially back-end, I aim to collaborate with dynamic teams and actively contribute to challenging projects while enhancing my technical and professional skills through hands-on experience.

Education

Rio de Janeiro State University (UERJ)

Computer Science

August 2024 – Present (~ 4 years)

Maracanã — RJ

Complementary Courses:

- Java Web Formation: Servlets and MVC

Alura
- Java Masterclass

Tim Buchalka - Udemy
- JavaScript and TypeScript Basic to Advanced

Luiz Otávio Miranda - Udemy
